

Consequences

Always keep in mind the consequences of your own behavior as a leader:

- *If you are not loyal to your employees, they will not be loyal to you.*
- *If you do not respect your employees, they will respond in kind.*
- *If you don't care about your employees, they won't care about you or your endeavors.*
- *If you don't look out for their interests, they won't look out for yours.*
- *If you don't treat your employees with respect, they will not treat you or your customers/guests/members with respect.*
- *If you are abusive to employees, the good ones will leave; only the poor ones will stay.*
- *Remarkable service is all about attitude; treating employees badly fosters bad attitudes.*

Your example sets the standard for all your employees. Don't blame them if they don't have high standards.
